HARVEST MONTHS: February to May

The Asproguate Sustainable Association of Guatemalan Producers represents over 1,500 small producers from the regions of Acatenango and Coban in order to responsibly transfer benefits to sustainable value chain coffee producers. Constant eruptions from the nearby Fuego Volcano keep the coarse, sandy soils full of minerals.

CUPPING NOTES: Chocolate, Brown Sugar, Almond, Caramel and Orange Blossom, with a Mellow Acidity and a Smooth Body.

NOT JUST COFFEE, YOUR COFFEE.
