Cafetaleros De Honduras is a green coffee exporting company founded by 8 farmers/entrepreneurs who wanted to commercialize their own coffee. On the way, they found out they could do more for the coffee industry and help the small farmers. The company manages 3 associations of farmers, 2 of which are certified organic and Fairtrade: Finca Santa Elena and COPROCAEL.

CUPPING NOTES: Chocolate, Herb-like, Citrus Fruit and Sundried Tomato with a Medium Acidity and a Medium to Heavy Body.

NOT JUST COFFEE, YOUR COFFEE.
