

INDIA FTO ROBUSTA.

WE'VE GOT
YOUR BATCH

GRADE: Cherry AA

ALTITUDE: 1,100 M – 1,400 M above sea level

PROCESS: Washed

VARIETAL: Robusta

CERTIFICATION: Fairtrade, Organic

HARVEST MONTHS: October to February

High-quality Robusta is difficult to source, with India being one of the few origins that produce consistently outstanding beans. This is the result of a high degree of care that coffee plantations in India apply to cultivation, harvesting, and processing of Robusta, which is treated with the same careful attention as Indian Arabica.

CUPPING NOTES: Dark Cocoa, Sweet with notes of Herb/Hay with a Low Acidity and a Full Body.

NOT JUST COFFEE, YOUR COFFEE.
