Jinotega is one of Nicaragua's leading coffee regions, known for exceptional chocolate notes and great balance in the cup. The area is located in a long valley surrounded by the cool climate and Dariense Isabelia Ridge. Jinotega produces 80% of Nicaragua's coffee, which is exported to the United States, Russia, Canada and Europe.

CUPPING NOTES: Dark Chocolate, Brown Spice, and Brown Sugar with mild nutty notes, with a Mild Acidity and a Medium Body.

NOT JUST COFFEE, YOUR COFFEE.
