

SWP

PREMIUM ESPRESSO BLEND

DECAF

WE'VE GOT
YOUR BATCH

REGIONS: Central and South America, Africa

ALTITUDE: Various

PROCESSING: Swiss Water

This is a lively and balanced blend of five different SWISS WATER Process® decaffeinated coffees from Indonesia, Central and South America, and Africa. It offers a complex and satisfying mélange of chocolate and caramel flavors with a touch of natural fruit, just enough acidity to provide a balance of sparkle, and sweetness riding a long, smooth finish. Smooth enough to brew as regular coffee, but bold enough for all your favorite decaf espresso drinks.

CUPPING NOTES: Chocolate and Caramel Flavors with a Touch of Natural Fruit, enough Acidity to provide a Balance, Sweetness Riding, and a Long Smooth Finish.

NOT JUST COFFEE, YOUR COFFEE.
