

# BOLIVIA ORGANIC

**REGION:** Caranavi

**GRADE:** SHB EP

**ALTITUDE:** 4,000 – 6,000 Feet above sea level

**PROCESSING:** Washed

In the Yungas region in the state of La Paz, Caranavi lies on the eastern ridge of the Andres Mountain range at high elevations. These Bolivian coffees have a taste that you don't want to miss. They embellish flavor complexities with notes of sweet, juicy berries and sugar cane flavors saturated with citrus, red wine and rich milk chocolate. The intricacy of these coffees continues with the harmonious balance of a creamy body and crisp acidity.

**CUPPING NOTES:** Lemon, Lemongrass, Roasted Almond and Rose Hips, with a Medium Acidity and a Medium-Light Body.
