The El Polo Coop is located in the Municipality of San Sebastián de Yalí. El Polo has made a strong commitment to include women and young people in the coffee value chain, with 62 women and 45 young people of the 353 members. El Polo develops training programs to empower them, economically and socially, as well as supports the overall community with road projects, community health, women's programs, sports, and working for the rights of young people to public education. Surrounded by mountains, the area is home to many rivers, waterfalls, and the Yalí Volcano Natural Reserve.

CUPPING NOTES: Medium Acidity, Smooth Body, Dark Chocolate, Walnut, Malty, Savoy Finish.

NOT JUST COFFEE, YOUR COFFEE.
