COHORSIL is a coop of small farmers that produces El Jaguar, a Rainforest Alliance certified SHG coffee. Via collection centers, the coop receives the farmers' cherries and takes care to process them with adherence to the highest quality control standards. The coop is located in the mountains in Siguatepeque, in the tropical northwest, in the ideal growing conditions for high-quality, distinctive coffees like El Jaguar.

CUPPING NOTES: Medium Acidity and Body, Black Currant, Citrus Peel, Nutmeg, Clean Finish.

NOT JUST COFFEE, YOUR COFFEE.
