UCA San Juan del Rio Coco is based in the northern highlands of Nicaragua. The coop has a membership of 8 cooperatives and 430 individual farmers of which a quarter are women. UCA San Juan is all about high quality coffee. Their efforts and resources are spent in taking care of the entire production of this small group of producers to ensure greater international market share, competitive pricing and quality control.

CUPPING NOTES: Medium Acidity and Medium-Light Body, Grapefruit, Juniper, Lime and Quinine.

NOT JUST COFFEE, YOUR COFFEE.
