This Organic SHG EP coffee is produced by the CAFESCOR Cooperative, founded in 2012, located in the town of Corquin in the Casitas district of the Copan region. The coop is made up of 131 members, including 37 women, on over 400 cultivated hectares. Coffee undergoes a 12- to 24-hour fermentation process before both patio and mechanical drying. The founder and president Joel López is a 4th generation coffee farmer; his family has grown coffee since 1865.

**CUPPING NOTES:** Bright Acidity, Medium Body, Brown Sugar, Dried Fruit, Red Apple, Well Rounded Coffee.

NOT JUST COFFEE, YOUR COFFEE.
