ASPROCDEGUA is an organization that has 664 producing members who own small farms, about 2 hectares each, in several different municipalities. 394 farms have organic certification. Coffee as well as other crops are planted, including bananas, citrus fruit, avocado, and guava. ASPROCDEGUA offers its members services such as soil analysis, test farms, and social projects based on food security, education, and nutrition.

**CUPPING NOTES:** This Complex Coffee has a Medium Acidity, Heavy Rounded Body, with Notes of Brown Sugar, Citrus and Dark Chocolate.

NOT JUST COFFEE, YOUR COFFEE.
