COOPAGRI is a community of farmers from small communities, villages and even single family farms. The COOP's focus is on the well-being of members and their families and communities. Medical care, agronomy support and outreach, and a café showcase are available to COOP members. The farmers use organic fertilizer made by the COOP.

CUPPING NOTES: Medium Acidity and Body, Chocolate, Lime and Floral Notes, Sweet and Clean Finish.

NOT JUST COFFEE, YOUR COFFEE.
