Formed by 100 small producers in 2014, Asproguate represents over 1,500 members in order to promote consistent advancement for members and their community. The community is 90% ethnic, with the Cakchiquel and Tzutujil people, who are indigenous Mayan. Education in best practices and long-term buying relationships are priorities. Constant eruptions from the nearby Fuego Volcano keep the coarse, sandy soils full of minerals.

CUPPING NOTES: Medium Acidity and Body, Brown Sugar, Orange, Milk Chocolate, Very Sweet and Clean Coffee with Great Balance.

NOT JUST COFFEE, YOUR COFFEE.
