In 2014, 25 small coffee producers in the Casitas District, in the town of Corquin, Copan formed the COOP called CAFESCOR – Cafes Especiales Corquin, S. A. de C. V. Since that time, the COOP has grown to over 131 partners farming over 400 cultivated hectares. With a wet mill in the community of Las Casitas and a dry mill in the community of Jimilile, the COOP partners are committed to continue growing and gaining recognition for excellence in coffee production.

CUPPING NOTES: Bright Acidity, Medium Body, Black Tea, Cinnamon, Milk Chocolate, Lemon, Great Balance and Complexity.

NOT JUST COFFEE, YOUR COFFEE.
