Fara Coffee has been growing 100% SHG Arabica shade-grown coffee beans on their 3 family-owned farms in the mountainous rainforest of Matagalpa for 5 generations. Through the Fara Foundation, 100% of the proceeds go back to the community in healthcare, food assistance, education and eldercare. Fara prioritized Rainforest Alliance certification to reinforce their aim to conserve ecosystems by protecting healthy soils, rivers and wildlife and promote dignified living conditions for farm workers and neighboring rural communities. www.FaraFoundation.org
