Coffee holds a special place in the Ethiopian culture. It totally differs from other coffee producing countries that simply produce coffee as a cash crop. OCFCU is a democratic farmer-owned coop established in 1999 that works exclusively in Oromia Regional State, which accounts for more than 65% of the country's total coffee growing land. Operating under the principles of International Cooperative Alliance and fair trade, members farmers process and supply high quality, organic Arabica coffee for direct export.

**CUPPING NOTES:** Bright Acidity, Medium Body, Apricot, Raspberry and Ginger Notes, Sweet and Delicious Coffee.

NOT JUST COFFEE, YOUR COFFEE.
