Café del Macizo was formed in 2003 by a group of small growers with 59 farms from the municipality of Planadas in the state of Tolima. This area is surrounded by beautiful mountains in the foothills of the Cordillera Central. These farmers are lifetime coffee growers with direct connections to the land and the product. They pool their resources and knowledge to produce and market higher quality coffees to bring added value to their farms and region.

**CUPPING NOTES:** Bright Acidity, Medium Body, Apricot, Cocoa, Red Grape, Amazing Complexity.

NOT JUST COFFEE, YOUR COFFEE.
