

COLOMBIA EXCELSO EP

WE'VE GOT
YOUR BATCH

REGION: Huila
ALTITUDE: 1,500 – 1,650 M
PROCESSING: Washed
VARIETAL: Caturra, Typica
HARVEST MONTHS: November to January

Huila is one of Colombia's top coffee regions. It is located in the south where the three Cordilleras mountain range merge. Huila is surrounded by Tolima, Cauca, and Narino, which comprise the southern growing region. The coffee is grown under old, huge cotton-silk shade trees called Ceibas.

CUPPING NOTES: Bright Acidity, Smooth Body, Stone Fruit, Caramel and Raisin.

NOT JUST COFFEE, YOUR COFFEE.
