ASPROCDEGUA is an organization that has approximately 660 producing members who own small farms, about 2 hectares each, in several different municipalities. About 400 farms have organic certification. Coffee as well as other crops are planted, including bananas, citrus fruit, avocado, and guava. ASPROCDEGUA offers its members services such as soil analysis, test farms, and social projects based on food security, education, and nutrition.

CUPPING NOTES: Medium Acidity and Body, Brown Sugar, Vanilla, Stonefruit, Clean Finish.

NOT JUST COFFEE, YOUR COFFEE.
