COOPVAMA was founded in 2008 when a group of coffee producers came together on the initiative of the Agroforestry Program, directed by the Special Project Jaén, San Ignacio, Bagua (PEJSIB). Currently 283 partners farm more than 660 hectares of coffee with organic, fair trade, and sustainable certification, producing over 10 thousand quintals of coffee each year. The COOP has many special programs for its members, including training for technical team and lead partners in “productivity, sustainability, and resilience of coffee in agroforestry systems (FAS).”

CUPPING NOTES: Medium Acidity, Smooth Body, Chocolate, Red Grape and Cranberry Notes.

NOT JUST COFFEE, YOUR COFFEE.
