PROCESSING: Swiss Water

CERTIFICATIONS: Fairtrade, Organic

Cascadia Blend Fair Trade Organic Ethically-sourced, certified organic coffees from the most reputable cooperatives in Latin America, Indonesia and Africa are brought together in a United Nations of coffee harmony, producing a big-bodied sweet cup. This is one of SWP's most popular Decaf coffees. The Honduran and Indonesian coffees carry the blend and give it a rich body and sweetness. The coffee from Peru provides the balance and soft middle tones. The Yirgacheffe coffee give the Cascadia blend its fruity notes.

CUPPING NOTES: Sweet Graham Cracker, Clean and Balanced, with a pleasant mouthfeel.

NOT JUST COFFEE, YOUR COFFEE.
