Coffee holds a special place in the Ethiopian culture. It totally differs from other coffee producing countries that simply produce coffee as a cash crop. OCFCU is a democratic farmer-owned coop established in 1999 that works exclusively in Oromia Regional State, which accounts for more than 65% of the country's total coffee growing land. Operating under the principles of International Cooperative Alliance and fair trade, members farmers process and supply high quality, organic Arabica coffee for direct export.

CUPPING NOTES: Bright Acidity, Medium Body, Black Tea, Cardamom, Molasses, Lingering Finish.

NOT JUST COFFEE, YOUR COFFEE.
