A small group of farmers formed Café del Macizo in 2003 in the countryside municipality of Planadas, in the state of Tolima. With 59 lifetime growers, the group shares decades of knowledge and resources with each other to produce higher quality coffees. Located in the foothills of the Cordillera Central, the beautiful mountains shape the lush landscape.

CUPPING NOTES: Medium Acidity, Rounded Body, Dark Chocolate, Mango, Peach, Nice Complexity.

NOT JUST COFFEE, YOUR COFFEE.
