The Finca San Gerardo farm is located in Moyuta, Jutiapa in the Nuevo Oriente Region, in a Sub-tropical rain forest where clouds begin to settle at about 2 pm every day. The Recinos family has been producing coffee since 1870, almost 150 years ago. Jesus Recinos' great grandfather started planting coffee more than 75 years ago. Jesus is a firm believer in nutrition and his theory is that a well-nourished plant is a healthy plant, and therefore much more resistant to disease.

**CUPPING NOTES:** Medium Acidity and Body, Toffee, Dried Fruit, Mandarin Orange, Sweet and Clean Finish.

NOT JUST COFFEE, YOUR COFFEE.
