Formed by 100 small producers in 2014, Asproguate represents over 1,500 members in order to promote consistent advancement for members and their community. This lot is associated with the Fuerza de Mujer program at Asproguate. This program provides training focused on women's empowerment, financial management for field work, health, and is involved in the coop's environmental/sustainability program. The goal of Fuerza de Mujer is to aid in generating income for women and their families by maintaining coffee plantations and weaving beautiful fabrics for the region.

CUPPING NOTES: Bright Acidity, Smooth Body, Chocolate, Cherry and Lemongrass.

NOT JUST COFFEE, YOUR COFFEE.
