Union y Fe is a COOP producing top-quality coffees. The ripest cherries are picked and de-pulped right after harvest. Next the cherries ferment in tanks for 50 hours and later are washed and sun dried. To ensure that they dry completely in the custom drying containers, the coffee is moved up to 7 times per day, with the drying process taking up to 30 days to complete.

**CUPPING NOTES:** Bright Acidity, Smooth Body, Chocolate, Mandarin Orange, Lemon/Lime Soda.

NOT JUST COFFEE, YOUR COFFEE.
