ASOPAP is a group of specialty small scale coffee producers located in Planadas, South Tolima. Its members are farmers committed to quality coffee and organic standards. With the support of the team at Lohas Beans, the members have learned how to successfully market their coffee. As it is the case with other Planadas producers, Asopap cup profiles are very good.

CUPPING NOTES: Medium Acidity and Body, Chocolate, Lemongrass, Herbal, Lingering Savory Finish.

NOT JUST COFFEE, YOUR COFFEE.
